To my friends in the Christian Wushu Fellowship:

On behalf of the organizing committee for this year's annual conference of the FBI National Academy Associates, I would like to extend to each of you my personal thanks and congratulations for your performance of the Lion Dance prior to our opening ceremony.

As you know, we have met on several occasions and, for me, the Lion Dance has reinforced our on-going appreciation for Toronto's diversity, related traditions and the participation of some wonderful young citizens.

I was especially pleased to have His Excellency David Wilkins, United States Ambassador to Canada, as our special guest and he appreciated the honour you bestowed upon him when he participating in the "lighting of the eyes". I know the delegation, which was predominantly American, were fascinated by the performance and the Ambassador's role.

I am very grateful for my on-going relationship with the Christian Wushu Fellowship and I look forward to your next performance of the Lion Dance. Keep up the good work. Your community is very proud of you!

Yours truly,

William Blair
