Dear Mr. Chan:

Thank you very much for coordinating the performance of the Christian Wushu Lion Dance prior to the Opening Ceremony for FBI National Academy Associates this past July. Our conference planning committee was determined to provide our guests with a program that highlighted Canada's diversity and, locally, our interaction with young people who work with the police to keep Toronto safe and secure for all citizens. The Lion Dance and those who participated in this colorful performance are perfect symbols for these important themes.

I know that our special guest for that event, His Excellency David Wilkins, United States Ambassador to Canada, was honoured to be a part of the "lighting of the eyes" and I was very pleased that you had the opportunity to meet him. Ambassador Wilkins has earned the respect of Canadians from coast to coast and his connection with community organizations such as the Christian Wushu Fellowship has enriched his experience. I know he enjoyed meeting you and learning about the good fortune the dance was bringing to the conference.

I know our paths will cross again and I'm looking forward to another Lion Dance in the future. Please keep up the good work. Your corps of young performers rely on your on-going dedication to this wonderful community initiative.

Yours truly,

William Blair
